

## Mitsui High-tec (Thailand) Co., Ltd. receives 2017 CSR-DIW Continuation Award

Mitsui High-tec (Thailand) have been awarded 2017 CSR-DIW continuation award from Department of Industrial Works of Thailand.

A certificate of commendation and plaque were presented to President of Mitsui Thailand from Department of Industrial Works of Thailand at a ceremony which held at Thai Army Club on August 17<sup>th</sup>, 2017.

CSR-DIW Award has been set by Department of Industrial Works of Thailand in 2008 to recognize companies who has promoted CSR. Mitsui Thailand have been awarded 4 years in a row starting with Beginner Award in 2014 through 2017.

As a social contribution activity, Mitsui Thailand participates in greening activities for local environmental conservation and local volunteer activities. Also, Mitsui Thailand uses unneeded drums and crates used at the plant to make metal trash cans, wooden tables and chairs to donate to public facilities and local schools.

Mitsui Thailand will find a way to contribute the society and grow with the local community.
